FRIDAY EVENING, SEP. 3, 1920.

JE THEY RECISTER. rose persons who predicted women would take comparatively women would take comparatively Ill-tle interest in the preliminaries nees sary to quality as voters have occasion today to revise their opinious. That 2:241 members of the heretofore supposedly weater so, were assessed. and that 784 of that number completed the Steps of preparing to vote by registering yesterday, very nonclusively proves that the women of Cannells-village appreciate the privilege they have you and are determined to exer-

eise it at the fertheoming election.
The fact that approximately 2° percentimore women than men took adcontingre women than four tone con-centrage of the first day to become fully musified voters, was doubtless due to part to the novelty of the new privilege accorded women, and in what fart to the impression some vo-men had gained that yesterday was the last and only dry about which to pay poll tax and register. It is more pays poir tax, and register. It is more skely, however, that the women felt more finwilling than the men to take any risk by putting of rentering until a sket date, as many more have been in the habit of doing, and often at the cost of their right to tot. In this particular the women have al-rendy given the men a good example. Just as they may be expected to do in all that pertains to a conscientions and faithful discharge of their duties

Although rather more women regi-Although rather more women test-tered than was expected there remain 2,507 of their number who have that duty to perform upon the two other tass set as like for that nurpose—Tuesday, September 14, and Saturday, Oc-

President has been a cossation of work by more than 100,000 of lifeir number where to an 100,000 of their number under the pretext that they are taking a "vacation." Thus the spectacle is again presented the country of a group of indicontents in the ranks of labor regulating the action of their chosen representatives and discegarding the obligations that had been on-tered into in good faith. Little won-der the public is losing patience and would bring him the rehabilitation is in no mood to play the part of victim to labor disputes based upon filmsy and unjustifiable excuses,

HOUSEHOLD DETTES AND BUSINESS.

COPS NOT PROTECTED

Injury in Performance of Duty Not Considered "Industrial" Case.

By Associated Press. HARRISBURG, Sept. 3 .-- An injury occurring to a state policeman in peract, ruled Deputy Attorney General Collins in an opinion to Commissioner of Labor and Industry Connelly.

The question arose in the case of an officer injured by an automobile and who lost a foot in consequence. He who lost a foot in consequence.

Adam A. Willrout, registrar assessor of Bullskin township No. 2, claims in fact, there was very much less to have the honor of registering the noglect in this respect than there was to have the honor of registering the norther part of men who let business go by the board and spent hours discussing the probable effort of the men of the probable effort of the men of th delighted with the new experience. She has eften wondered whether she would have the privilege of casting a ballot and her desire she says will be satisfied for she will go to the polls on November 2 and cust ber ballot.

JUMPING IS MENAGE TO BASEBALL TEAMS

No Adequate Punishment Co >ceived to Combat Evil.

Athletes Who Disregard Contracts Are Attracted by Immediate Enrichment -Texas League Hit Harder Than Usual.

How to curb contract jumpers has caxed the brains of the wisest heads in baseball, but beyond the threat to ostracine restless athletes from came for a five-year period, no punish-ment has been conceived successfully no combat this growing memore, writes Otis Harris in Shreveport Journal. Time althestes out of 10 who vault the ure, but are attracted away from the figanized game by promise of immediate enrichment and of prospect of venr-round employment in the indusries which they represent on the dis-

The Texas league this season has been hit harder than usual by contract jumpers, three teams having either been completely broken up or builty crippled, and while the names of the lampers have been placed on the black tast, this has not been effective in keeping others in the harness.

The jumping athletes will be replaced in time, but in these days of a shortage in the market, the rebuilding process must necessarily be slow. The fact that contract jumpers have no standing whatever in organized baseball and that they automatically bar themselves from the game for Avi. years when they leave is given little thought by the players themselves, and noises some more effective means is discovered to buildle them, contract jumpers will be beyond leaniling at all in another sensor

The way baseball and the less and the latter seem to cook he less of it as for as it has gone. They haven't been able to wreck any legues; but their sectorities are consider the sectorities are considered. activities are enusing many club ownsuchita missionale ma

Websic. -Man's Man

By PETER B. KYNE

Author of "Cappy Picks," "The Valley

Anna Company of the C "If you will return to your hotel, my dear sir." Colonel Caraveo suggested, "and remain there until noon tomorrow, I feel confident I can guar-antee you immunity from attack thereefter. I have a plan to influence my essociates in the intelligence office." "Bully for you, Colonel. Give me six-

ty days in which to operate, and I'll have finished my job in Sobrante and gotten out of it before that gang of cutthroats wakes up to the fact that I'm gone. I thank you, sir,"

"The least we can do, since you have saved Ricard is life and rendered our cause a great service, is to save your

"This is more comfort than I had koped for when I rame here, gentlemen. I am very grateful, I assure you. Of course this little revolution you're cooking up is no affair of mine, and I trust I need not assure you that your confidence is quite safe with

The Doctor and the Colonel immediately rose and bowed like a pair of marionettes. Webster turned to Ri-

"Have you had any experience in revolutions, my son?" he asked.

Ricardo noided, "I realized I had to have experience, and so I went to Mexico. I was with Madero through

the first revolution,"
"How are you arming your men?"
"Manufichers. I've got 20,000,000
sounds of cartridges, 25 mechine guns, and a dozen three-inch field guns. I
have also engaged 200 American exsoldiers to handle the machine guns and the battery. These rescals cost one \$5 a day gold, but they're worth it; they like fighting and will go onywhere to get it-and are faithful."

"You are secretly mobilizing in the sountains, eh?" Webster rubbed his cish ruminatively. "Then I take it you'll attack Buenaventurn when you wrike the first blow?"

"Quite right. We must capture a semport if we are to revolute success-

"I'm gled to know that. I'll make it m; business to be up in the mountains at the time. I'm for peace, every ratte out of the box. Gentlemen, you've the red of the nost, charteness, you consider the wonderfully. I will now go home and leave you to your evisuachinations; and, the good Lord and the liggers willing, I shall yet glean a

althis sleep."
He shook hands all around and took

Nother Jenks was walting for Web-str- at the foot of the stairs. He paysed on the threshold.

"Mrs. Jenks." he said, "Billy tells "Mrs. Jonks." he said, "saily this me you have been very kind to lite. I want to rell you how much I appredicted it and that I stand willing to relimente any time you are in need."

Mother Jonks "ingered her beard and behaved, ""Ave you met Miss Dolares. The v. siv?" she queried.

can see with art a new wor i am, but for all that. I've done my dooty by her. From the day my sainted Energy-re was a colonel of hariffery under President Ruey. Dolores father the saired from the burnin' palace with ler an' told me to raise ler a lydy for the syke of her father, as was the fines: gentleman this rotten country'll over see, she's been my guidin' star, the's self-supportin' nove, but still I ala't done my whole dooty by ner, I want to see er inserted to a gentle-man us'll posintain 'er like a lydy," "Well, Mrs. Jenks, I think you will

live to see that worthy ambition attained. Mr. Geory is head over heels in love with her."

"Ay2. Willie's a nice ind—I could wish to better; but wor 'o's got 'e got from you, an' where'll 'e he if its mine constit in her? Now with you mine coesn't p'y big? Now, with you, sir, it's different. You're a bit older'n billy, an' more settled an' serious; you've nucle yor fortune, so Willie tells me, an' not to go heatin' about the bally bush, I s'y, wot's the matter with you an' her steppin' over the broomstick together? You might go a bloomic' sight farther an' fare wass."

Too old, my dear schemer, too old!" John Stuart replied smillingly. "And sie's in love with Eilly. Don't worry. If he doesn't make a go of this mining concession, I'll take care of his finances until he can do so timself. I do not mind telling you, is strictest confidence, that I have made my will and divided my money

ennally between them." "Gord bless you, for a sweat kind gentleman," Mother Jenks gulped, quite overcome with emotion. Bustile: Webster bade Mother Jenks good night and hurried away to es-

caps a discussion on such a delicate topic with Billy's blunt and single-minded landiady. His mind was in a furnit. So it was that he paid no attention to a vehicle that jogged by him with the cochero sanging low in his went, half asleep over the relna, until a quick command from the cleased in-terior brought the vehicle to an about that, half a block in advance

of Webster.
Save for an arc light at each end of the block, the Calle de Concordin was dim; save for Webster, the carringe and the two men who piled hurriedly out at the rear of the convey-ance, the Calle de Concordia was deorder the Calle de Concorda was de-void of life. Webster saw one of the men burriedly loss a coin to the coch-ers; with a fervent "Gracias, in exp-tinn," the driver clucked to his home, turned the corner into the Calle Ell-zondo and disappeared, leaving his late passengers facing Webster and calmly awaiting his approach. He was within 20 feet of them when the tailer of the treo men spoke.

"Good evening, my American friend,

Webster balted abruptly; the two Sobranteau officers stood smiling and evidently enjoying his discomfiture. Each carried a service revolver in a closed hoister fusioned to ids sworthelf, but neither had as yet made a move to draw-sering which, Webster felt sufficiently reassured to accept the unwelcome situation with a grace equal to that of his enemies. "What? You two bad little boys

up this late! I'm surprised," he replied in Spanish. He folded his arms, struck an attitude and surveyed them kids have been up to some inisolief," he added, as his right hand closed over the butt of his automatic, where it lay snuggled in the open heister under his left arm between his shirt and coat, "Can it be possible you are going to take advantage of superior numbers and the fact that you are both armed, to force me into a duel on your terms, my dear Captain Benavides?"

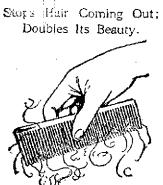

esked with mock leterest. "As we stand at present. I'm armed. " the does the tamb strike you, Mr. Pull your hardware, you prefly pair of polecats, and see if you can beat air
